About the National Translation Committee (NTC)

The NTC was formed by MCI in 2014 to oversee short-term and long-term plans to enhance whole-of-government translation capabilities and is supported by three language Resource Panels. It is a collaborative effort involving the public, private and people sectors to address translation-related issues. The NTC members include those from the media, academia, the translation industry, as well as government representatives.

Members of the new term started on 1 March 2022, for a period of two years. More information on the NTC and its members is available at: www.mci.gov.sg/portfolios/public-comms/what-we-do.
